

# IMPORTANT INFORMATION ABOUT THE VILLAGE LAUNDRY

## **New Rates take effect mid December**

The current dryers are 8 years old and will be changed-out with a newer, efficient model. The current front load washers, will remain for another two years, then exchanged for a newer model.

Like any other consumer, The Village faces increasing costs for utilities, such as gas, electric, and water. Rising utility costs necessitate a modest increase for laundry loads.

***Rates have not changed in over 8 years.***

## **NEW RATES FOR WASHING & DRYING TAKE EFFECT MID DECEMBER 2008\***

**NEW WASHER RATE - \$1.00 PER 37 MIN. LOAD OR \$1.25 FOR THE EXTENDED, 45 MIN. LOAD**

*This reflects a 25 cent increase over the current rate*

**NEW DRYER RATE - 25 CENTS FOR EVERY 10 MINUTES OF USE. YOU CAN REGULATE DRYING TIME.**

*This reflects an increase from 75 cents for every 45 minute cycle*

*\*New rates were decided after researching various informational sources on laundry rates and from WEB.*
